

Promotion

Every purchase of 1 ELISA kit will receive 1 set (5 units) of Tissue culture flasks (75cm²) & 5 units of Sterile serological pipettes (10ml)

Come & test our range of ELISA kit, exhaustively tested with superior quality & reproducibility!!

Promotion is valid until 31st October 2015

World Largest Collection of cDNA Clones!

for all cDNA clones

Promotion is valid until 31st October 2015

BrightDye[®] Terminator Cycle Sequencing Kit

Cost-Effective alternative for BigDye[®] Cycle Sequencing Kit

- Higher resolution
- Longer read lengths
- Compatible with all ABI Genetic Analyzers (3500 excluded)

Promotion is valid until 31st October 2015

A leader in DNA genomic research consumables to the life science community

Expert in :

- DNA sequencing
- Molecular cloning
- Protein purification
- DNA fragment analysis

Promotion is valid until 31st October 2015
